## About picture day

Team photos and player individual shots are taken either before or after a game.

Your coach will let players know the date and time of picture day.

Action shots of each player will also be taken during the game.

Photos can be ordered and paid for on picture day.

Reprints can be ordered at any time online at [www.jvl.net.com/~plutchak](http://www.jvl.net.com/~plutchak)

Your coach will have your team password to log on to the Web site.

A new approach to photographing your team.

You play because you love the game.

It's about running, jumping, getting to the ball and being part of the team.

That's what your team photos should be all about.

We specialize in photographing athletes in action during the game.

We also make classic individual posed and team group photos.

Capture the action and remember the game the way it's played.
